

ARC - 3109-Estimation Specification & Costing

KSA	FACTORS	CO1 Identify and choose Methods of Estimation and Measurement Units					
		Outstanding	Excellent	Very Good	Good	Satisfactory	Emergent
		A+	A	B	C	D	E
C3	Application	Uses the learnt information for application in Estimation in structured and innovative manner	Uses learnt information in another familiar or new situation in a structured way	Uses learnt information in another familiar or new situation in less structured way, but it is clear.	Uses learnt information in another familiar or new situation in non-structured way, could be better	Not able to use the learnt information in another situation.	Difficulty in understanding

KSA	FACTORS	CO2 Develop Costing of Material, Labour, etc. & Rate Analysis.					
		Outstanding	Excellent	Very Good	Good	Satisfactory	Emergent
		A+	A	B	C	D	E
C3	Application	Uses the learnt information for application in Rate analysis in structured and innovative manner	Uses learnt information in another familiar or new situation in a structured way	Uses learnt information in another familiar or new situation in less structured way, but it is clear. KSA	FACTORS	CO3 Develop Specification of materials, Specification of workmanship & Specification Writing.					
		Outstanding	Excellent	Very Good	Good	Satisfactory	Emergent
		A+	A	B	C	D	E
C3	Application	Uses the learnt information for application in developing specification in structured and innovative manner	Use learnt information in another familiar or new situation in a structured way	Use learnt information in another familiar or new situation in less structured way, but it is clear.	Use learnt information in another familiar or new situation in non-structured way, could be better	Not able to use the learnt information in another situation.	Difficulty in understanding

KSA	FACTORS	CO4 Identify Types of Tenders & Contracts.					
		Outstanding	Excellent	Very Good	Good	Satisfactory	Emergent
		A+	A	B	C	D	E
C2	Comprehension	Outstanding ability to demonstrate very clear and excellent understanding on the fundamentals of Estimation, specification & costing & use it in Tenders & contracts	Ability to demonstrate clear understanding about the fundamentals of Estimation, specification & costing & use it in Tenders & contracts	Ability to demonstrate substantial understanding about the fundamentals of Estimation, specification & costing & use it in Tenders & contracts	Ability to demonstrate basic understanding about the fundamentals of Estimation, specification & costing & use it in Tenders & contracts	Unclear understanding about the fundamentals of Estimation, specification & costing & use it in Tenders & contracts	Difficulty in understanding the fundamental of Estimation, specification & costing & use it in Tenders & contracts.
