Department of Neurology

Department of Neurology

The Department of Neurology provides an array of specialised tertiary neurological consultative services. Our goal is to bring scientific research and discovery into clinical services to improve the lives of our patients. Patients and referring physicians are gratified to discover how easily they can gain prompt access to our world-class doctors.

The department has a long tradition of dedication to achieving excellence in patient care, teaching and research. Our physicians have expertise in many subspecialties within the disciplines of Neurology. Working together in multidisciplinary collaboration, we strive to provide the best possible care to our patients.

A team of experienced Neurologist and trained support staff work round the clock to provide superior medical care.

. Department of Neurology conducts Memory Clinic on every Wednesday along with Departments of Psychiatry and Neuropsychology.

. Movement disorder and Botulinum Toxin Clinic is conducted on every Thursday to extend specialized care to a variety of hypokinetic and hyperkinetic movement disorder.

. A stroke clinic is conducted on every Monday and intravenous and intra-arterial thrombolytic therapies are extended to acute stroke patients and to provide specialized rehabilitation care a Stroke Unit is functioning in Neuro ICU.

. All types of Epilepsy cases are thoroughly evaluated by specially trained Neurologists (Epileptologists) in the state of art Video EEG Laboratory and an acute Epilepsy Surgery team is in place to provide permanent cure.

. In addition weekly Neurology Clinics are conducted at

**Dr. TMA Pai Hospital, Udupi on every Wednesday and at
Dr. TMA Pai Rotary Hospital, Karkala on every Saturday.**
