about KMC, Manipal

PARTICIPANT BROCHURE | IQMU'21

KMC Manipal, a constituent unit of Manipal Academy of Higher Education is a top notch institution spreading across 600 acres in Karnataka, India.

Founded in 1953, KMC continues to be one of the finest learning environments in South Asia with premier grade infrastructure and faculty that support students to hone their skills to become outstanding medical professionals, true to its mission.

Manipal, being a second home to a diverse array of students provides numerous opportunities for cultural interaction between individuals not only from different parts of India but between students from all over the globe. It has an actively growing research community and strong academic linkages with national and international universities of repute. We are also widely known for our state-of-the-art facilities that include MARENA, one of the largest and best-equipped sports centres in the country and SEARCH Health Sciences Library stretching over 1.5 lakh sq feet, on five levels that acts as a domain for information seekers and also includes a Simulation Centre that utilizes training manikins to teach healthcare students the skills to manage real-life emergencies. KMC provides a safe learning environment and ensures the holistic growth of its students, faculty and community.

**Dr. Sharath Kumar Rao,
Dean of Kasturba Medical
College, Manipal,**

and a renowned Orthopaedic Surgeon in the field of complex trauma, joint replacement and knee arthroscopy continues to be a constant source of support and encouragement for the IQMU organizing committee and strives to uphold the vision and mission of KMC Manipal; to train competent, compassionate and caring physicians through excellence in teaching, patient care and medical research.

about IQMU

PARTICIPANT BROCHURE | IQMU'21

After an insightful trip for a medical quiz in Mexico, the students of KMC sought to create a competition facilitating academic and cultural exchange in Manipal. Thus, the International Quiz For Medical Undergraduates was conceived and has been running successfully since 2017

Owing to the current global pandemic, the 5th edition of IQMU will take place from 4th June to 6th June, 2021 via an online platform to ensure the safety and well being of our participants. The quiz consists of multiple rounds that test the quizzer's knowledge and application capacity in the fields of Pre clinical, Para clinical and Clinical subjects. Each round is unique in its format, ranging from Spotters and Clinical Vignettes, MCQ's and jeopardy styled rounds, to IQMU'S acclaimed Mental relay.

In the midst of grueling competition, driven by the medical instincts of our quizzers, we ensure that a healthy camaraderie is built via our Gala Night, involving unique activities, and a party to remember! IQMU thus gives students an opportunity to experience a 3 day quest comprising of extensive events, nail biting quiz rounds, interactive ice breakers and informative workshop sessions by KMC's very own student clubs: Tempus Pretioso, Justitia and Cutting edge.

What are you waiting for? Register Now for the adventure and learning of a lifetime.

Dr. VINOD NAYAK
FACULTY ADVISOR, IQMU

It has been a great pleasure to watch IQMU grow and evolve with each passing year, and to watch more and more students actively participate and engage with each other in this one-of-its-kind experience. Medical quizzing is not only an opportunity for budding doctors to broaden their horizons and interact with their peers, but also helps them to grow into well-rounded clinicians. As IQMU 2021 makes its foray into the online platform, the organizing committee has put in a tremendous amount of effort to bring together a quiz that provides a holistic approach to medicine and its practice, with challenging rounds and interactive workshops. IQMU 2021 will indeed be an enriching experience for both its national and international participants, and I look forward to being a part of its ever evolving journey!

Dr. VINAY KHANNA
FACULTY ADVISOR, IQMU

IQMU hosted every year by KMC, Manipal provides unique Interactive platform to medical students across the world to test their knowledge, understand competition and to hone their teamwork skills. It is one of the unparalleled medical quizzing experience that all medical students must experience at least once. I'm so proud to be affiliated with Team IQMU.

The efforts of the organising team in finessing the quiz rounds, and showcasing workshops by student clubs like TEMPUS, JUSTITIA, CUTTING EDGE is a joy to witness.

They help deliver a well-rounded experience to all participating teams, especially the increasing number of International Teams every edition. A multi-day extravaganza wherein students around the globe interacts, exchange ideas and achieve accomplishments. IQMU is the event to be at! I wish great success and all my best to the incoming teams, and the organising committee for their upcoming edition.

mission

PARTICIPANT BROCHURE | IQMU'21

We aim to become a leading international student organization which helps engage competitive medical students while creating long lasting and fruitful relationships among future doctors around the world

vision

We hope to serve as an entity dedicated to the development of innovative learning strategies and the creation of well rounded physicians.

quiz and it's rounds

PARTICIPANT BROCHURE | IQMU'21

PRELIMS

A battle royale of quizzers: Participants put their medical knowledge, speed and accuracy to the test as they attempt this enthralling round individually. Scores will be added up for the result!

QUARTER FINALS

The top 20 teams from prelims shall qualify for the quarter finals which opens with a refreshing view of spotter/image based questions. A potpourri of clinical and para clinical topics conquered by shrewd teamwork.

WILDCARD ROUND

A nail biting round which may give our avid quizzers a second chance to get back in the race. (Top 2 teams from the "BACK TO BASICS Quiz" will be allowed to participate too)

quiz and it's rounds

PARTICIPANT BROCHURE | IQMU'21

SEMI FINALS

Is it a basic game of snakes and ladders, or is it a fast paced, battle of the brains? A round set to make it or break it for a team!

We assure you that you'll be kept on your toes throughout!

FINALS

A series of intense and exciting rounds, ranging from a medical jeopardy round to a simple yet tough to crack medical trivia round, and much more. Do you have what it takes to win?

Finalists Beware! This is not just a mere test of your medical knowledge, it'll take your teamwork, quick thinking and wit to gain a spot in the top 3!

iqmu: back to basics

PARTICIPANT BROCHURE | IQMU'21

This year, in order to spark an interest in quizzing among the budding medicos of 1st and 2nd year, we bring to you a mini quiz to give you a taste of what's in store for our main event.

DATE: May 29- May 30, 2021, one week before main quiz
