Venue:

Fortune Inn Valley View, Manipal

Manipal University - a leader in higher education

Manipal University is known globally for the high quality professional education it imparts. The University is a creation of Dr TMA Pai who brought together an imagination, a dream and a vision and turned it into a reality. It was a little over six decades ago that this lateritic hillock, where wild animals roamed freely, began taking shape of an education hub. Today, Manipal University is among the top educational institutions of higher learning in the country with a global acceptance.

About Us

Manipal University has created some of the country's best institutes/schools across 24 diverse streams like medicine, dentistry, management, nursing, engineering, pharmacy, hotel management, allied health, architecture & design, media & communication, geopolitics, humanities, information science, life sciences, public health, statistics etc., with nearly 300 courses.

School of Management

Established in 1999, School of Management (SOM) formerly known as Manipal Institute of Management (MIM) is highly regarded among the cohort of the Indian B Schools. The School is led by its dynamic director Dr. Raveendranath Nayak who has extensive experience in teaching, research, consulting and management, which includes a career of eight years in India followed by twenty years in Australia.

The School offers a two year full time program leading to the award of the degree of Master of Business Administration (MBA), MBA (Global Business) and MBA (Healthcare Management).

School of Management is ranked 6th among the top B-Schools of Excellence as per CSR-GHRD B School Survey

Human Resource Management is undergoing dramatic changes; keeping abreast of the emerging landscape is a great challenge for HR executives. One of the emerging good practice for the new era is Corporate Social Responsibility.

About the Executive Development Program

This workshop on "Emerging Opportunities in Human Resource Management" provides insights into corporate social responsibility, talent management and ICT tools used in digital age. During this intensive one day program, executives will gain a robust understanding of how to source, engage and leverage talent for competitive advantage and also know the impact of ICT on their HR practices.

The participants are HR executives from leading enterprises in the coastal districts of Mangalore and Udupi.

The number of participants will be kept small to facilitate interaction.

Resource Persons

Mr. Ashok Jambur

Ashok Jambur, Deputy General Manager (HR) at IOCL R&D Centre joined Indian Oil in June 1986 at Barauni Refinery and has worked at Barauni, Mathura, Panipat & Gujarat Refineries besides Refinery Hqrs, Corporate Office & R&D Centre.
